ABOUT BIRD HOUSE

We are an independent brewery, taproom, pizza kitchen and event space located in Bath Factory Estate on the edge of Brockwell Park, in Herne Hill.

Bird House is available for all kinds of events including music nights, sports screenings, and private parties.

The venue is highly versatile - has an archway bar, large outdoor area, portable prep kitchen, DJ decks and PA system, TV/AV equipment and late license until 1pm on the weekends.

3 new large archway spaces will be available for use in summer 2025.

FOOD AND DRINK

We're very proud of our selection of home brewed beers which you can enjoy on draught alongside a wide range of cocktails, cider, seasonal wines and spirits.
